Notes to the financial statements as at June 30, 2021

Note 1 - General

SANTANDER INTERNATIONAL FUND SICAV (the "SICAV") is organised under the laws of the Grand Duchy of Luxembourg as a Société d'Investissement à Capital Variable (SICAV) with several Sub-Funds each linked to a separate portfolio of investments. It qualifies as an undertaking for collective investment under Part I of the amended Luxembourg law of December 17, 2010 (the "Law of 2010").

All Shareholders rank equally in proportion to their shareholding and their rights are represented by share certificates. Each share carries one vote in the meeting of Shareholders.

The initial Articles of Incorporation of the SICAV adopted on April 27, 1992, amended on October 21, 1992 were published in the Recueil électronique des sociétés et associations du Grand-Duché de Luxembourg (the "RESA") on June 6, 1992 and on January 19, 1993. In 1996, the SICAV changed its name from "SANTANDER EUROPA" to its present name "SANTANDER INTERNATIONAL FUND SICAV" and adopted the structure of a multiple classes of shares Fund (umbrella Fund). The articles of incorporation were amended for the last time with effect on May 2, 2014 published in the Mémorial on May 30, 2014.

The Board of Directors of the SICAV has appointed SANTANDER ASSET MANAGEMENT LUXEMBOURG S.A. as Management Company of the SICAV within the meaning of Chapter 15 of the Law of 2010. SANTANDER ASSET MANAGEMENT LUXEMBOURG S.A. was incorporated on November 29, 1996 as a corporation (société anonyme) under the laws of Luxembourg for an unlimited duration. It has its registered office at 19, rue de Bitbourg, L-1273 Luxembourg, Grand Duchy of Luxembourg. Its Articles of Incorporation were initially published in the Mémorial on January 13, 1997 and were amended for the last time with effect on January 24, 2019 and were published in the Recueil électronique des sociétés et associations.

The Articles of Association have been amended for the last time on May 2, 2014 and the changes were published in the Mémorial on May 30, 2014.

The SICAV is registered at the Luxembourg Register of Commerce and Companies under the number B 40 172.

The SICAV's financial year ends on December 31 of each year.

As at June 30, 2021, the shares of the following Sub-Fund are offered for issue and sale:

- SANTANDER MULTI-ASSET LOW VOLATILITY (expressed in EUR)
 - *Class C
 - *Class D
 - *Class S (launched on May 17, 2021)

The Net Asset Value (the "NAV") per share is determined on each bank business day in Luxembourg. For reporting purposes, however, if the last day of the SICAV's financial year or of the half year is not a bank business day in Luxembourg, the reported NAV is the Net Asset Value calculated the last day of the year or of the half year on the basis of the last price known for the year or for the half year.

The objective of the Sub-Fund SANTANDER MULTI-ASSET LOW VOLATILITY is to provide an attractive level of return from a portfolio invested, directly, or indirectly through UCITS or UCIs, in a diversified range of fixed income instruments and equities of European, North American, OECD and emerging countries with no more than 15% of its net assets invested in equities.

Notes to the financial statements as at June 30, 2021 (continued)**Note 2 - Summary of significant accounting policies**

The financial statements of the SICAV have been presented in conformity with legal and regulatory requirements in Luxembourg, applicable to Undertakings of Collective Investment in transferable securities and prepared in accordance with generally accepted accounting policies in Luxembourg. It includes the following significant accounting policies:

2.1 Valuation of assets

The value of any cash at hand or on deposit, bills and demand notes and accounts receivable, prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received are deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof is arrived at after making such discount as the Board of Directors of the SICAV may consider appropriate in such case to reflect the true value thereof.

Portfolio securities and/or money market instruments, which are listed on an official stock exchange or traded on another regulated market are valued at the last available closing price on the principal market on which such securities and/or money market instruments are traded, as furnished by a pricing service approved by the Board of Directors of the SICAV. If since the close of business, there has been a material change in the quotations on the markets on which a substantial portion of the Sub-Fund's investment is dealt or quoted, such securities and/or money market instruments, as well as all other permitted assets, are valued at the fair value at which it is expected that they may be resold, as determined in good faith by and under the direction of the Board of Directors of the SICAV.

Investments in open-ended UCIs are valued on the basis of the last available net asset value of the units or shares of such UCIs.

Any assets or liabilities in currencies other than the Dealing Currencies of the relevant Sub-Fund are converted in the relevant Dealing Currencies using the relevant spot rate quoted by a bank or other responsible financial institution.

2.2 Net realised gain/(loss) on sales of investments
